

**The CCA is ecstatic to report that captains:**

**Gregory Angrum  
Allen Miller  
Miguel Melendez  
Joseph Russo**

- All were found innocent of charges of using excessive force and making false statements.
- Great win for CCA.
- A major loss for commissioner Horn, White and their entire investigative staff.  
Commissioner Horn wanted to fire all 4 captains!
- The city of New York paid 2 inmates 1.2 million dollars before the case went to trial.
- The CCA will always be there for our members.
- The CCA president will discuss this case and its importance at tonight's (2/16/2004) 6pm general meeting held at Antun's Restaurant
