

Dear Member,

This is being posted to hopefully clear up exactly what is being paid in each of the retro checks and when the retirees' will receive theirs.

The retro will be paid in three paychecks, the following is the breakdown for each paycheck:

1. August 11<sup>th</sup> paycheck – You will receive all regular pay, overtime pay and steady night shift differential for the period covering November 11, 2005 through the present pay period. (Top pay captain, regular pay only, approx. \$6,500)
2. August 25<sup>th</sup> paycheck – You will receive all regular pay, overtime pay and steady night shift differential for the period covering June 1, 2004 through November 10, 2006. (Top pay captain, regular pay only, approx. \$10,000)
3. September 8<sup>th</sup> paycheck – You will receive all regular pay, overtime pay and steady night shift differential for the period covering June 1, 2003 through May 31, 2004. (Top pay captain, regular pay only, approx. \$3,500)

**D.O.C. payroll division is making every effort to pay retirees' back pay when the active members receive theirs. The August 11<sup>th</sup> back pay went out on time and they are trying to pay the next two checks as timely as possible.**

After these payments have been made the city will owe our members back pay for Holiday pay and Cycle money (wheel money). At this time there are no dates for the payment of this money, as soon as we can get dates we will post them here.
